## Michael L. Fallarino Named to Ronald McDonald House of Long Island's (RMH-LI) Executive Committee

On January 1, 2014, **Michael L. Fallarino**, Farrell Fritz's Director of Finance, will begin his position as 2<sup>nd</sup> Vice Chairman on the RMH-LI Executive Committee. He will serve a three year term.

Since 2012, Mr. Fallarino, a **Levittown, NY resident**, has served on the House's Board of Directors. He chairs the audit committee and is a member of the finance committee. Mr. Fallarino has also served on the business advisory board. He became involved with the RMH-LI in 2005, organizing events to raise money for the House.

The RMH-LI is the 100<sup>th</sup> House of over 300 Ronald McDonald House programs worldwide. Located in New Hyde Park on the campus of the Cohen Children's Medical Center of New York, the House accommodates families of seriously ill children in a warm and supportive environment. Since its opening in 1986, thousands of families from Long Island and across the United States have been served. The RMH-LI has recently partnered with Stony Brook Children's Hospital to develop a Family Room to serve the needs of families who have a hospitalized child. The Family Room provides families of children undergoing medical treatment a place to rest and relax right at the hospital. The Family Room provides many of the comforts of home to help alleviate the anxiety of being in a hospital environment while being just steps away from their child's bedside.
