Best Lawyers® is the oldest and most respected peer review publication in the legal profession. A listing in *Best Lawyers*® is widely regarded by legal professionals as a significant honor, conferred on a lawyer by his or her peers within the same geographical area and legal practice area.

To be included in the *Best Lawyers*® peer review process, someone must nominate the attorney. Voting attorneys are those currently listed in the publication. Ballots are populated with nominees in the voter's geographic area and legal practice area. Once all peer reviews are compiled, the votes are averaged. Selected

lawyers must be checked against their state bar association lists to make sure they are in good ethical standing.
