Dual Board Appointments for Thomas J. Killeen

Thomas J. Killeen, a senior partner whose practice concentrates on representing public and private corporations and not-for-profits, has been elected Chair of the Long Island Alzheimer's Foundation and as a member of Hofstra University's Honors College Advisory Board.

The Long Island Alzheimer's Foundation's mission is to help lighten the burden of, and improve the quality of life for, those suffering with Alzheimer's disease and their caregivers by meeting their educational, social and emotional needs and by raising public awareness of the disease.

Hofstra University's Honors College is a program designed for Hofstra's most academically accomplished students. HUHHC offers these students a focused, multidisciplinary first-year program taught by some of the University's most distinguished faculty. After their first year, students choose from a variety of Honors-credit courses in all majors and graduate with both a bachelor's degree and Honors College designation.

For further information on the Long Island Alzheimer's Foundation, please visit their website at: www.liaf.org. For further information on Hofstra University's Honors College, please visit their website at: http://www.hofstra.edu/Academics/Honors/index_Honors.cfm.
