Dual Appointments for Patricia C. Marcin

Farrell Fritz is pleased to announce that Patricia C. Marcin, counsel in the firm's trusts and estates department, has been elected co-president of The Cold Spring Harbor Special Education Parent Teachers Association (SEPTA) and was also chosen to sit on the School Improvement Team (SIT) committee for the Lloyd Harbor School. Ms. Marcin is also a parent representative on the Committee for Special Education for the Cold Spring Harbor School District, which reviews and determines the special education services children in the district are to receive.

Part of the National PTA, SEPTA was created to assist families in the community (K – 12) who receive support services from the school district. SEPTA has worked to establish a section for special education in the Cold Spring Harbor Library. This section includes materials on a variety of topics including diagnosis, psychological testing, counseling services, social skills groups and after school activities. The money raised through membership dues is used to present awards to two graduating seniors in recognition of their commitment to SEPTA's programs and other students.

The SIT committee's purpose is to improve the educational performance of all students in the school through the collaborative participation of team members. The committee considers such things as curriculum, instructional materials, communication, methodology, school culture/climate, scheduling, budgeting, staffing and health and safety.

Ms. Marcin concentrates her practice in estate planning and administration. Her practice includes all phases of the administration of estates, including the analysis and review of estate and fiduciary income tax issues and administrative and legal issues, and the preparation of wills and trusts and other estate planning documents.
